

LA CONSERVATION CORPS

# GREEN CAREER PATHWAYS

BECOME A FLAGSHIP PATHWAY SPONSOR TODAY!

For 30 years, the Young Adult Corps has provided disconnected young adults in Los Angeles a chance at a meaningful work experience enhancing their community. Today, we do this by inviting all Corpsmembers to choose and travel down a Green Career Pathway. You can help guide their way to success!

Each Green Career Pathway unites industry representatives, education officials, and Corpsmembers in a collaborative effort to ensure an appropriate match between work experience, trainings and certifications, and industry needs that will position Corpsmembers to meet the demands of the growing green economy in Los Angeles and their own successful futures.

### Our goals are:

- 1) Self-sufficiency for Corpsmembers
- 2) Lower rates of youth unemployment in our communities
- 3) Training a green workforce for Los Angeles

The Corps invites you to become a **Flagship Pathway Sponsor** or support our Corpsmembers' journeys at whatever level is appropriate for you.

By sponsoring our Pathways, you ensure successful work experiences and career outcomes for our Corpsmembers. Sponsors make each Pathway a holistic experience by providing training, case management, transition services, and much more.

Beyond financial support, becoming a sponsor opens the door to a deeply meaningful partnership between you, your employees, and our Corpsmembers. You may have opportunities to volunteer with and mentor Corpsmembers, host field trips, attend career fairs, and provide internships and employment opportunities.

### Current Pathways include:

**Land Management • Zero Waste • Construction • Energy • Manufacturing**

For additional information about our Green Career Pathways, please contact:

**Erica Blodgett**
